## Announcement Regarding Parking at Memorial Hall

Dear Parents and Guardians,

Due to construction taking place at the parking lot at Memorial Hall, part of the parking lot will be closed for the summer. Also, fencing surrounding part of the parking lot will make the access road to the lot difficult to navigate.

For these reasons, we ask that parents and guardians use the large parking lot in front of the Student Center to park. Parents who are dropping off or picking up children should be advised that the temporary entrance and exit to the parking lot is located on the far end of the present exit.

Other parking spaces surround Memorial Hall are available, but because of the large number of events that take place over the summer at Rider University, we recommend that you use the parking lot in front of the Student Center.

This situation will be in place till September.

Thank you for your anticipated cooperation in this matter.

Sincerely,

Princeton Community Japanese Language School
